YOUR TOTAL COST SOLUTION.

an employee owned company

TCS - Total Cost Solution

**Lowest Cost of doing business...
Easy to do business with!**

1. Paint & Material Profitability

All distributors are competitive on price...
PFP will help you manage USAGE!

- Measuring cost relative to OUTPUT (paint Hours)
- Monthly P & M Usage Tracking by category
- See Element # 2 - Advanced Production Systems

P & M USAGE is a direct function of paint department processes and habits!

- PFP Process Evaluation
- Implementation of "Best Practices"
- Training

LOWER COST - MORE OUTPUT - NO BOTTLENECKS!

2. Advanced Production Systems

3. Simple Inventory Solutions

P & M Usage reduction through standardized inventories with minimum SKU's
TIME savings through improved inventory replenishment process

- Fewer stock outs (always having what you need when you need it)
- Fewer interruptions to the production process
- Fewer invoices to process at the end of the month
