

an employee owned company

[www.profinishesplus.com](http://www.profinishesplus.com)

Pro Finishes PLUS personnel have been trained and equipped to perform respirator fit tests for our Customers. Fit-testing is mandatory for all employees that are required to wear a respirator in the performance of their job responsibilities. We can also help our Customers meet the requirement of having a written [Respiratory Protection Program](#).

## Automotive Aftermarket Respirator Fit Testing and Training Program Certificate of Completion

This certificate is awarded to

*Pro Finishes Plus Customer*
